

Sun City Hilton Head

*Welcome to the SCHH Pickleball Club!*

## **General Information**

We follow the official rules of the United States of America Pickleball Association, a non-profit organization charged with promoting Pickleball, America's Fastest Growing Sport.

As a Pickleball Club member you enjoy free use of the club's paddles and balls, which are kept in the Pickleball Club's shed next to the courts in the New River Sports Park. The paddles and balls are in plastic containers inside the shed. The shed's lock combination is [1-9-5-2](#).

Please return all paddles and balls after use to the shed and lock the shed.

## **Pickleball Orientation Clinic**

The Orientation and Rules Clinic are held on the first Tuesdays of each month from 1:00 to 3:00 PM on courts 1 and 3 in the New River Sports Park; on Wednesdays the following week from 6:00 to 8:00 PM on courts 9 and 11 at Argent Lakes; and on Thursdays the following week from 1:00 to 3:00 PM on courts 1 and 3 in the New River Sports Park. Just show up wearing sneakers as we supply the paddles and balls with instructions given by volunteers from our club. Tell all your friends to come out to our free session to give pickleball a try before choosing to join our club.

## **Meet & Play**

Meet & Play allows all Sun City Hilton Head residents as well as the Pickleball Club members to just show up, meet members present and play pickleball. Meet & Play is held on courts 1 & 3 in the New River Sports Park every Tuesday, Thursday and Sunday from 3:00 PM to 5:00 PM.

Everyone present shall be allowed to rotate in after each game to play in an orderly and fair manner to all players present.

If Chelsea does not find court time for you, you will be placed on Standby/Overflow. You will have to go into the Chelsea system 3 days prior and find a time slot that is open. An email will be sent to you informing you that you are on standby.

You can make a request for court time starting 7 days prior and up to **3 AM** four days prior to the date you want court time. All requests made within the three days prior to 3 AM of the fourth day are treated equally.

(For example: You want court time on Monday. You can start requesting time starting the Monday prior and up to Friday at 3 AM. From 3 AM to 10 AM on Friday no reservations can be made.

At 10 AM on Friday you will be notified of your reservation, either by email, or you can log on to the Chelsea system to look for your reservation.

After 10 AM on Friday you can go into the Chelsea system and immediately make a reservation right up to 7 AM Monday morning.

After 7 AM on Monday you can not make a reservation or cancel a reservation for Monday. You can contact the logo building and ask to add your reservation or cancel a reservation. You can also check the reservation system after 7 AM on Monday to see if there are any open courts and then call the logo building to schedule a reservation.

There is no limit to how many times you can make a reservation per month. However, you can only make one reservation per day.

You can only request 1 hour time slots, but you will be able to link 2 courts together for a one hour time period.

**If you have changed your CAM#, have a problem with your password or your password is not working because you had not paid your 2012 club membership fee by January 5, you need to contact the LOGO building (705-4034) as the club has no longer control over the reservation system.**

## Websites

- 1) <http://www.schhpickleballclub.com> ~ the club's independent website that allows information to be uploaded in a user friendly way. I keep this website updated with club news and pickleball rules more often than the community's website. There is also a club blog to allow you to post your comments for all members to see.
- 2) [www.schhca.com](http://www.schhca.com) ~ the SCHH community's website that is somewhat limited but we do put club information under the Pickleball Group. So join the group to be allowed access to the documents on this website.
- 3) [www.usapa.org](http://www.usapa.org) ~ the official website of the United States of America Pickleball Association, a non-profit organization charged with promoting the game of pickleball and making the rules for pickleball.
